

1/2 **blossom**

Like a flower opens in the sun, blossom opens for the people and invites to have a rest. The chair, table, stool and pot can be combined individually. They create an consistent image in every environment.

**Solution**

Like a blossom opens in the sun, **blossom** opens for the people and invites to have a rest. The chair, table, stool and pot can be combined individually. They create an consistent image in every environment. **blossom** is made of weatherproof plastic, space-saving, light for transport and easy to assemble.

The Chair could be manufactured in a rotation molding process, the other parts could be produced in a injection molding process.
